# Early College Program

**NORTH SHORE**  
**COMMUNITY COLLEGE**

- ❖ The Early College Initiative at DHS creates and maintains a partnership with NSCC in order to give students, especially first-generation college-goers, access to college completion and career success.
- ❖ Students take transferable credits at North Shore Community College during their school day starting in their Sophomore year
- ❖ Opportunity to complete five college courses by the end of senior year
- ❖ Students can continue at North Shore or transfer those credits to other colleges and universities after graduation from DHS

# Community Block- Everyone has a home at DHS.

**We focus on building meaningful relationships, developing student leadership, ensuring inclusion, acceptance and understanding and promoting citizenship in our community.**

**Our newly established community block, which meets each day, provides a supportive environment for all students to work on these priorities.**

**During this time students attend assemblies, participate in community meetings or engage in FOCUS time which allows for students to develop their executive functioning and organizational skills.**

**Finish Work  
Organize  
Communicate  
Utilize Time  
Self Care**

# 9th Grade Teams

## Peregrine, Kestrel, and Merlin

- 9th grade is divided into three teams
- While teams are not physically located next to one another the teachers work together and provide students with more support
- Focus on collaboration and support with the transition to high school
- Teachers all meet regularly to review student progress and create individualized interventions and personalized help

# Next Steps

- Students will pick 7.5 credits of electives and 7.5 of alternate electives**
- Return to your child's homeroom at HRMS by February 10th 2023**
- Questions about placements can be directed to to Mr. Federico or Mr.**

**DiMauro**
