EARLY
COLLEGE
PROGRAM

NORTH SHORE COMMUNITY COLLEGE

- The Early College Initiative at DHS creates and maintains a partnership with NSCC in order to give students, especially first-generation college-goers, access to college completion and career success.
- Students take transferable credits at North Shore Community College during their school day starting in their Sophomore year
- Opportunity to complete five college courses by the end of senior year
- Students can continue at North Shore or transfer those credits to other colleges and universities after graduation from DHS
