Summer 2025

Dear Page Team Student,

Welcome to the seventh grade! The teachers of the ***Page Team*** are excited to meet you. During the summer, we have been planning the 2025-2026 school year and can't wait to tell you all about it! We thought this newsletter might help you prepare for your first day on the ***Page Team***. To help you organize for the seventh grade, the following supplies are required:

Grade 7 Supply List

- 6 2-pocket, 3-hole punched folders (*red, blue, purple, green, yellow, orange*)
- 1 hole punched pencil case
- 1" binder for science (*will stay in classroom*)
- 4 lined composition notebooks (*ELA, Math, Science and World Language*)
- 3 boxes pencils (approx. 36)
- Pack of eraser tops
- 1 pack of pens (approx. 6)
- 2 small packs of colored pencils (*one for science, one for pencil case*)
- 1 basic calculator
- 4 highlighters

Important: All supplies should be replenished as needed throughout the school year!

HOMEWORK: Students are required to record daily homework assignments in each class. They need to purchase their own assignment notebooks. Teachers' after-school availability will be posted each week in individual classrooms.

Students on the ***Page Team*** are expected to take responsibility for their learning and respect the school, their teachers, their peers, and themselves. Effort and organization will be the keys to success this year!

We hope you enjoy your summer vacation with friends and family. We look forward to seeing you in September!

Sincerely,
The ***Page Team***
